

Booking Terms and Conditions .

The following terms and conditions apply to individuals who have made a booking with Taxis-Alicante.

Elitecar-Alicante is the registered name of Coop. del area de Alicante, Coop. V., which has a registered address at C/Pintor Pedro Camacho, 5 03015 Alicante, Spain, and a company registration number of CIF: B54803945.

1. Full payment is required at the time of booking. Once payment is received, you will be sent a transfer voucher to the email address provided on the booking form. The transfer voucher should be presented to the Taxis-Alicante driver on arrival.

2. Transfers carried out in our large taxis will be for a maximum of 3 passengers when golf equipment is being transported.

3. The driver of the taxi will wait in the arrivals hall at the airport and will display the name of the lead passenger on a sign.

4. In the event there are any problems whilst collecting luggage, the passenger should notify the driver or agency immediately. Failure to do so may result in the driver leaving the airport without the passenger. In the event of a lengthy wait, the driver may have to charge more.

5. If the passenger, for any reason, cannot find the driver and makes no effort to do so by contacting the agency's 24-hour contact number, the driver may leave after the courtesy one-hour wait time has been completed, without the passenger. In this case, no refund will be given.

6. In circumstances where the passenger requires extra services during the transfer, such as the collection of villa keys, supermarkets visits, etc., he should state this when making his initial booking. Failure to do so may mean the driver will not have sufficient time to carry out the extra work. A supplement of €15 euros will be applicable for these extra services.

7. Normally seats for babies and booster seats are provided free of charge, as and when requested. However, if the allocated vehicle cannot be equipped with these seats due to unforeseen circumstances, no guarantee can be made that a substitute vehicle will have the appropriate seats for children. The only way seats for babies and booster seats can be guaranteed is when the passenger brings his own.

8. The company will not be responsible for collecting passengers if services have suffered delays and there is no confirmation of the flight arrival time before 11pm.
